FabFeasts definitely lives up to its name!!! They catered our 1st communion party & everything was outstanding! The menu was absolutely perfect, an excellent balance of savory & sweet, absolutely something for everyone. The homemade quiches were fabulous, french toast casserole unique & extremely tasty & the meat/cheese platter just perfect.

They truly can cater to any requests & will help you choose the perfect menu for your party; a delight to work with.

I highly recommend FabFeasts & will certainly use them in the future!

Talk about FAB - working with FabFeasts made for a seamless dinner party for 14. Tracy was terrific to work with on a menu and her food was outstanding. Our guests were raving about the dinner.

FabFeasts is the perfect name for Tracy's company. She catered our son's first communion and the food was "Fab"ulous! I have also attended parties where she has catered the food and the compliments have been extensive.

Tracy's lifelong love of cooking is apparent in everything you eat. Her service is impeccable as her willingness to work with you and your needs is all part of the package. I will be recommending FabFeasts to whomever I can.
